Hello Bonnie,

Thank you for the quick response and providing documents for the Bishop Tube site, I appreciate it. I will be working towards updating the Workshare list (and updating you along the way) so by the next time we meet, the list will be as current as possible. If you need anything from me please feel free to contact me at any time.

Thank You,

Don't worry about sending us the spreadsheet with the address information. I combined the two spreadsheets together. To get started I attached information Bishop Tube. I attached the PPA and two amendments of the PPA, and a document describing the current status of the Site. Please let us know if you need anything further for this Site.

I will continue to compile the available documentation for each of the Sites that we discussed.

Thanks

Subject: PADEP & EPA Workshare Meeting Summary

Hello Ragesh,

It was great to meet you and your staff on May 14, 2015 for our Workshare meeting in your office. I am looking forward to working with you and your staff on these sites. I plan to update the Workshare list to reflect current status as soon as documents are received.

As discussed in our meeting, here is a list of action items EPA owed PADEP:

- Attached is an excel version of the Workshare list that we went over at our meeting. I will be adding a column for the site addresses and will send that to you.

Ex. 6 Personal Privacy (PP)

Here is a list of actions items that you can send me at your earliest convenience:

- Bishop Tube Co – Copy of the PPA

EPA understands the great number of sites we are trying to update and we do not expect them all at once. EPA's goal would be to update these sites for the next Workshare meeting and we greatly appreciate your help in updating our database. If you have any questions or any requests for me please feel free to contact me at any time. Again, it was nice to meet you and I look forward to working with you!

Take care,
